

protect what makes you, **you**

Select Life Association plans include 24/7 identity, financial, and dark web monitoring through Allstate Identity Protection. If your plan is eligible, your protection is already on—and adding a few details helps unlock the full experience.

Setting up your Allstate Identity Protection account only takes a few minutes and helps ensure you're getting the full value of your coverage. If this benefit is included with your plan, here's what to do next:

Rest easy knowing you're protected

You automatically have access to 24/7, U.S.-based support, full-service identity restoration, and up to \$1 million in identity theft reimbursement for recovery-related expenses.* If you have questions about your plan or suspect identity theft, the customer care team is here for you anytime at 1-888-988-3884.

Set up your online account

To check your access, go to login.mylifebenefits.org and select the Allstate Identity Protection tile. You may be asked to provide a bit of additional information to help ensure accurate monitoring and more complete protection.

Catch issues early

The more features you turn on, the better we can help protect you. Eligible members can receive timely alerts about potentially suspicious activity, so you can act quickly before issues escalate.

Allstate Identity Protection is included with the following memberships:

Prime & Prime Plus
(individual coverage)

Sterling & Sterling Plus
(coverage for individuals and their families)

*Identity theft insurance covering expense and stolen funds reimbursement is underwritten by American Bankers Insurance Company of Florida, an Assurant company. The description herein is a summary and intended for information purposes only and does not include all terms, conditions and exclusions of the policies described.
